### 3/ Cultural Policy Database for European Countries!

“Posted on August 1, 2011 by Tommer

Here's an amazing site that provides a great deal of information on cultural policy and cultural funding for 43 European countries.

The Compendium country profiles address over 80 issues of cultural policy organised in chapters on historical developments, decision-making processes, main objectives, current policy issues, legal frameworks, cultural institutions and partnerships, funding provisions, support to creativity and participation. View the entire Structure of the Compendium profiles. It is available for download in 26 different languages. Country profiles organised according to this structure can be accessed under Countries.”
